Harold's Diary 4

Fuuka Minami

X Month X Day (continued)

Anyways, the last time I saw anything like it was during the fight after we left Calabria.

The Korladan shore was filled with fleets from Pisare. They're very well organized, I must say.

We didn't feel like we could escape after being surrounded by all of those ships. We're not at war with them (at least not this time), but as a pirate this situation is unnerving. I'm sure everyone else, especially our leader, felt the same way, so we decided to leave right after Canale returned.

But before that we needed to hand Mansur over to Pisare. He's an official at Pisare. One of Sesaam's acquaintances, and he agreed to help us invade Korladan.

The main purpose was, of course, to save Miss Aura and Canale, but of course we benefit more from this. As in, we get Patras' long-time possession, Korladan.

"Well, I'll be leaving now."

Mansur waved to us sheepishly. He probably acts like that because class systems in Pisare are pretty strict.

"Please give my regards to Sesaam-sama!"

After nodding to Canale's words, Mansur turned to face Aura and in his surprise he stammered "P-please stay well, your highness."

Why did he look so small? And his face was burning red.

Miss Aura merely waved him off with her hand. He then looked toward Ayace, who stood across from Canale.

"Ayace sir, please stay safe. Thank you for letting me stay. I've learned a lot. I sincerely hope we can meet again."

As if he were looking into a man of his dreams he spoke to Ayace.

On the other hand, Ayace looked uninterested and gave his usual grunt of approval.

He's a real guy killer, that Ayace.

That's what I pondered when I saw Mansur going off.

Well, probably not in the way Canale feels about him.

On a side note, if they had a serious duel, I wonder which one would win? Honestly, if it were only allowed swords the match would be even.

Anyways, Ayace is just one of those guys that men like Shirokko and the others fall for. He's really reliable, not to mention being a member of a legendary and prestigious pirate family.

—compared to that.

"Shirokko, you never grow up."

I sighed and mumbled as Shirokko passed by me with a lazy yawn.

"Huh? What did you say? What does that mean? Say it to my face will ya?"

Ah, so he has decent hearing. He's like some annoying mother-in-law.

"Like the conversation we're having now. You're always picking fights about the smallest things. I guess you're just narrow-minded."

As I said that with my arms crossed Shirokko took his two pointer fingers and hooked them to both sides of my mouth and stretched it wide apart.

"You're the little brat here!"

"...YEEEOWWWWCH!"

His spit rained all over his face, and I stammered around in pain.

That's when I heard an insistent cough and saw an apple core flying towards Shirokko's head

"Be quiet."

That was Ayace's low, rumbling voice. Both Shirokko and my movements stopped instantly.

Shirokko gingerly let go of my face and I stuck out my tongue at him.

--- Real men only need to say a few words to get things straight!

"Harold, if you have time to fool around could you help me out with this?"

There was Canale's cool-toned voice.

Yes, sir.

Shirokko laughed as I trodded over.

Crap. Sooner or later I'll become the best member of the team to use Shirokko around!

And so that's how my hectic day was. Wow... I used so many pages today...

An Extra's Extra: Mansur's Diary

Month X Day X

After finishing my duties I reported back to Yami-sama and Sesaam-sama and here I am writing in my diary.

I gave thanks to the god of Hamaad for bringing me home safely and being able to accomplish a task that would help the leader in the long run.

With today's raid Preveza was able to take control of Korladan, which will prove to be a great advantage for them.

It's interesting how awake I am from the excitement of fighting with the Preveza troops. To think that we took hands with pirates in government-owned land -although very few know of this- and fought the same opponent is an absurd idea.

That Ayace Malik lived up to his name but it was the princess who amazed me the most with her swordsmanship or, that is, to remember her colliding head-on with the opponent troops gives you the chills.

Im actually excited for the next time I'll take a ride on their pirate ship.

...Oh dear me, I forgot to hand Sesaam-sama the letter I kept for Canale. I must go give it to him before I head off to bed.

---pause in writing---

M-My breath. I must calm down.

In conclusion, I couldn't give Sesaam-sama the letter because someone was there before me.

From the voice I heard from the hallway I knew it was Yami-sama. That itself is not a problem.

But to think that they were in that kind of relationship!

Should I go on and pretend I didn't hear a thing..?

Oh. I remember how each would ask me to send the other a brief message. were those lover's quarrels...?

コルセーア～盈月(みちづき)～

Act.1

コルセーア～盈月（えいげつ）～

WELL THEN SESAAM,
I'LL BE HEADING OFF FOR TONIGHT
YAN...

DO YOU WANT ME?
YOU CAN SLEEP WITH ME IF THIS BODY'S WHAT YOU WANT.

Today the Pisan's troops came back after taking down Korladan.
With the help of Preveza we were able to seal a complete victory.
Above all of this... Is it alright to have such a lucky day?
...We were always close friends.
In the twenty-something long years we were together,
I've repeatedly confessed my love to him.
Sometimes jokingly, other times seriously.

For Sesaam it should've been another night...
But I never thought he'd take me seriously
What was different about tonight?
Gerrh
ARE YOU SERIOUS?
YES.

TAKE AS LONG AS YOU NEED
SOME TIME.
COULD YOU GIVE ME SOME TIME TO THINK?
IT DOESN'T HAVE TO BE TODAY. IT CAN BE TOMORROW, OR THE DAY AFTER
REALLY, TAKE YOUR TIME
IT WON'T CHANGE
I'VE MADE YOU WAIT FOR MORE THAN TWENTY YEARS.
I CAN WAIT LONGER THAN A MERE DAY
NO.
I CAN'T TAKE THAT LONG. YOU'LL CHANGE YOUR MIND.

He may not change his mind...
But our current relationship won't last if I make the wrong move.
...WELL, TELL ME WHEN YOU MAKE UP YOUR MIND
...Sesaam always manages to surprise me.

close
YAN
gasp
HOW ABOUT STARTING OFF WITH A KISS?

step
I met Sesaam 20-something years ago.

There we studied to become future government officials and clergy members
We attended Barg Gibril where top students from around the country were invited in
Everyone was intelligent and proud.
After a year only a third of us would be allowed to stay, based on our grades.
SO YOU'RE SESAAM ZAIYALIN?

chatter
AND WHO ARE YOU?
THE GENIUS WHO RECITED A THOUSAND PAGES OF A SCRIPT FROM MEMORY IN FRONT OF THE EMPEROR WHEN YOU WERE SEVEN
YANI
YANI IBRAHIM WE'RE ROOMING TOGETHER.

STOMP
HOW RUDE OF YOU
YOU LOWLY VILLAGER
IT MUST BE EMBARRASSING FOR EVERYONE TO COMPARE YOU TO SESAAM.
GRAB
WHAT DID YOU SAY!?
chatter
TOUCH

YOU SHOULDN'T PLAY SO ROUGH.
---TCH
I was drooling over a guy!
SHOCK
NICE TO MEET YOU, YAN!

And this is how our school life began
Prayer service several times a day, then literature studies along with economics and politics...
Our very few days off were mostly wasted away studying.
HE'S SKIPPING CLASS AGAIN
GOING TO THE MOUNTAINS OR SOMETHING?
DID YOU KNOW HE GOES HUNTING AND SWIMMING IN THE RIVER? HE S SUCH A DISGRACE TO OUR ELDERS HERE
HE'LL DROP OUT NEXT YEAR ANYWAYS, SO IT'S NO BIG DEAL THOUGH
HE WAS THE FIRST ONE FROM HIS VILLAGE TO BE SENT HERE
HE'LL HAVE TO MAKE IT OR HE'LL GET SENT BACK IN SHAME

YOU'RE TAKING HIS BACK INSTEAD OF OURS?
THAT'S GREAT! YOU'RE A ROYALTY WITHIN PISARE SO YOU'RE FINE SAYING ANYTHING
I THINK WE'RE THE ONES THAT ARE HATED
I'M ROOMING WITH HIM, SO I DON'T WANT TO HEAR ANYTHING BAD ABOUT HIM
THAT DOESN'T MATTER
AH, HEY!
YOU GUYS AREN'T EVEN FRIENDS

whisper
whisper
Tch
Snooping around again?
I FORGOT SOMETHING
Rustle
HUH?
YOU HAVE YOUR OWN KIND OF PROBLEMS HUH
SLAP
my hand slipped.

FOR YOU
DROP
DROP
...EH?

...YANI, WHY DO YOU WANT TO WORK IN THE CLERGY?
YOU'RE GOOD WITH SWORDS, YOU SHOULD'VE SIGNED UP FOR THE ARMY
...OBVIOUSLY, IF I DON'T WORK FOR THE CLERGY, I CAN'T GET TO THE TOP
THE TOP...
AS IN THE PRIME MINISTER?
WHY WOULD I?
BUT YOU MAKE YOUR INTENTIONS VERY OBVIOUS
...YOU WON'T LAUGH?

HAHA
IF I DID, I WOULDN'T BE ABLE TO CARRY OUT MY PLANS ACCORDINGLY
HAHA.
Tch
THAT'S THE PART WHERE YOU LAUGH?
NO I'M JUST AMAZED AT HOW DIFFERENT WE ARE...
YOU'RE TWISTED
DON'T ADMIT IT!
HAHA...
I GUESS I AM
GEEZ, YOU'RE SO WEIRD

Se-saam
looked well-endowed at a glance but had a solitude air surrounding him
He didn't let anyone inside easily, and that gave him a mysterious appeal.
